We are writing to seek your support for our upcoming entertainment centered on psychological wellbeing, a community event aimed at promoting mental health awareness after a home football game. We have secured the services of comedian Tom Seigert, also known as "The Suburban Footballer," who specializes in spreading humor and uplifting spirits as a professional comedian.

Given the challenges our community has faced in the past 12 months with the highs and lows, we believe that focusing on mental health is crucial. Tom Seigert's performance will not only entertain but also contribute to raising awareness about mental health, aligning with our ongoing efforts in the community space.

Our funding request is aimed at covering the costs associated with Tom Seigert's involvement, allowing us to provide free entertainment and participation opportunities to the entire community. Our goal is to ensure inclusivity, making the event accessible to everyone.

We appreciate your consideration of our grant application and believe that with your support, we can make a significant impact on the mental well-being of our community and provide some great entertainment.
