To the Koorda community,

I have been on Council for four years now and not a day goes by where I'm still learning new information, not only from our district but from other districts who have implemented great ideas to keep their towns thriving.

I'm very passionate about the community and future growth for our amazing town.

My husband and I farm just south of town, and we love everything about our community and its people.

I would like to see more local jobs, worker housing and services available for people in this community and will continue to strive to make our town a community hub that all come to from near and far.

regards

Gina Boyne
