Attachments	Attachment A – Existing Delegations Register Attachment B – New Draft Delegations Register	

Background:

Under the provisions of the Local Government Act 1995, it is necessary to review delegations at least annually, with Council completing its last review in April 2022.

Comment:

A copy of Council's existing Delegations has been included as Attachment A.

However, as it is suggested that the current delegations register in respect to scope, style and presentation is no longer fit-for-purpose, staff have prepared a new draft delegations register, and which is provided as Attachment B.

Both the format and substance of each delegation has been based on WALGA templates and, unlike the broad nature of many of the existing delegations, are more prescriptive in nature, providing a more open and transparent approach.

In respect to the proposed approach, it is worth noting that the number of delegations contained within the new draft has increased when compared to the existing delegations.

On this basis, and to allow elected members time to review and seek any clarification in respect to the proposed new approach generally and each delegation specifically, it is suggested that Council 'lay-on-the-table' its consideration until its ordinary meeting in May 2023.

Consultation:

Lana Foote, Deputy Chief Executive Officer

Statutory Implications:

Section 5.46 of the *Local Government Act 1995* requires, at least once every financial year, delegations made under this Division are to be reviewed by the delegator.
