Background:

The Shire owns the vacant property at Lot 28 (36) Allenby Street, Koorda (between the Koorda Meat Supply building and Koorda Motor and Military Museum).

The administration has been contacted by Mr Derek Henning, for and on behalf of Oakenshield Pty Ltd (ATF The Oakbank Property Trust) with an offer to purchase Lot 28 (36) Allenby Street, Koorda (Lot 28), as follows:

“Hi Darren,

As discussed I wish to make a formal offer to purchase Lot 28 Allenby Street, Koorda (vacant block next to the Butcher Shop) at market value subject to evaluation.”

In a subsequent email, Mr Henning formally offered (via an “Offer and Acceptance” form) to purchase Lot 28 for \$12,000 with a settlement date within 30 days of acceptance.

On 28 June 2022, the Shire received a market valuation (dated 10 June 2022) for Lot 28 of \$12,000.

At its meeting held on 20 July 2022. Council resolved:

Officer Recommendation Resolution 060722

Moved CR GL Boyne

Seconded CR GW Greaves

That Council;

1. Subject to S3.58 (3) Local Government Act 1995, determine to dispose of the following Shire-owned property:

- Lot 28 (36) Allenby Street, Koorda;

2. Subject to S3.58 (3) Local Government Act 1995 direct the Chief Executive Officer to give local public notice that it is the intention of the Shire to dispose of the following Shire-owned property:

- Lot 28 (36) Allenby Street, Koorda

With a Goods and Services Tax (GST) exclusive market valuation of \$12,000 (as at 10 June 2022) for \$12,000 excluding GST, subject to any public comment; and

3. Direct the Chief Executive Officer to present any public comments along with a final recommendation relating to disposal of the Lot 28 (36) Allenby Street, Koorda to the August 2022 Ordinary Meeting of Council.

CARRIED BY ABSOLUTE MAJORITY 6/0

In accordance with statutory requirements and Council's resolution #090222, the proposed disposition was advertised locally from 1 to 16 March 2022 for public information and comment.

At the close of the public comment period (being 3.00pm on Thursday, 11 August 2022), one (1) submission has been received from Mr A and Mrs S Clarke (the submitters) of Koorda Motor Museum (being the southern neighbouring property to Lot 28 Allenby Street).

The submission states:

*Sent: Monday, 25 July 2022 7:04 PM
To: Shire of Koorda <shire@koorda.wa.gov.au>
Subject: Sale of 26 Allenby St*

Good evening, may I wish to express my dismay at the proposed sale of said property and my concerns. I have the adjoining property currently operating as a tourism and lifestyle business including a garden centre. To date after being the owners since 2009 have not had a neighbour apart from the Shire whom have made little or no advertising of selling the property being 26 Allenby St, which if this was the intention should have put this out to tender giving all interested a chance to submit offers without it being a silent auction...this said, I request more information be passed to proximity interests as to the intended use of property. Is it a intended chemical storage site, a loading zone with heavy vehicles in front of a school zone, will the property be properly water coarsed preventing water runoff undermining our property which is the case since we purchased the adjoining property, will it be retaining walled by future owner at their full cost, and also fenced and bunded at their cost. And will said business be in any rivaled form against our current established business. If any of these things are the future planned use of said property I wish to impart my opposition to said sale, and declare a proximity and financial interest....As a concerned ratepayer as well it is of interest to all that the advised use of property asset of the ratepayers be divulged at the earliest disposition of council...please accept this without predijuce and in sincerest terms...regards Tony and Sue Clarke...Koorda Motor Museum

Comment:

In response to the matters raised within the submission received, the following staff comments are provided:

- The submitters have already been advised that as the Shire received an (unsolicited) offer to purchase Lot 28 (36) Allenby St by private treaty, it is following a statutory process to advertise and invite submissions on the proposal prior to agreeing to sell the property and, as such, the Shire is not in a position to respond to their questions at this time, however, their email (as above) will be presented to Council at its meeting on 17 August 2022 as a submission for its consideration.
- As outlined within the 'Statutory Implications' section of this report, the statutory process is as per section 3.58 of the Local Government Act 1995 and the process of public advertising an intent to dispose by private treaty is in lieu of auction or tender. On this basis, it is not considered

a 'silent auction' as outlined within the submission as it is open to and possible for a submission to outline a counter offer to that advertised.

- In respect to the submitter's questions regarding proposed use of the land, the Shire is in no position to answer as the proposed purchaser has not identified any intentions in this regard, nor is required to as part of the offer and acceptance process.
- Any future land use arrangements would need be addressed by the Shire under the State Government's planning and development framework as any owner of the subject lot would need to apply for development approval under the planning legislation and, particularly, the Shire's Local Planning Scheme No. 3. (Being in the Town Centre Zone, a wide array of mixed use is available to be considered).
- Shire consideration of any application for development approval must accord with well-established town planning grounds of which the prevention of competition with existing business is not considered an acceptable ground in which to deny approval.
- In respect to water runoff, bunding and fencing, it is suggested that these are civil matters that are subject to negotiation and resolution by the relevant owners, as appropriate.

On this basis, and notwithstanding the submitter's commentary and stated opposition, it is suggested that it remains open to Council ratify the sale, as proposed as the offer price aligns with market valuation and as the Shire has no identified use of its own for the Lot.

Background:

The Shire owns the vacant Lots 36 (9) and 37 (7) Railway Street, Koorda (opposite the Great Southern Fuels depot).

The Shire is in receipt of correspondence from Mr RA and Mrs J Stanton (the applicants) being the new owners of Lot 38 (5) Railway Street seeking to purchase Lots 36 (9) and 37 (7) Railway Street.

In the interests of the applicant's privacy, a copy of their letter and offer and acceptance forms have been provided to Councillors under confidential separate cover.

However, by way of summary, the applicants have offered to purchase Lot 37 (7) Railway Street for \$2,500 and appears to wish to negotiate a sale price with the Shire for Lot (36) 9 Railway Street.

Comment:

Should Council resolve that they are prepared to accept the offer made, there would be a requirement for the offer to be put out for public consultation. This period would then allow Council to receive feedback from the community and take account of any comments or objections prior to a final decision being made by Council.

However, the Shire's Works Supervisor has indicated a preference that the properties are not sold at this time due to their strategic location of the properties in relation to the Railway and Haig Streets intersection as the land may be required for future engineering road design and construction works.
