Hi Kim,

No worries, I understand deadlines need to be met! I am coming up with a rough number of **\$5600** (excl. GST). This would include: travel, performance fee, accommodation, PSO staff member cost, per diems and admin costs/super. I haven't included any equipment from that so if they needed microphones for example then that would be extra on top.

If you have any questions or would like to discuss any further options then please let me know!

Kind regards,

The screen can be made available for use by the Koord Primary School and other community groups for events like the end of year school concert and the winter sports awards night, enhancing the experience for all attendees. The screen is easy to set up and can be erected anywhere without difficulty, making it a versatile asset for various events and locations. The screen could be a regular feature at the volunteer park and other venues such as the recreation grounds. While our community is fortunate to have an operating drive-in cinema, the addition of an inflatable movie screen offer unique benefits and opportunities that compliment, rather than duplicate.
