Background:

In accordance with Section 2.7(2) of the Local Government Act 1995, Council is to determine the Shire’s policies. The development and management of Council policy is an ongoing process.

It is important that Council policies are kept up to date and are reviewed on a regular basis under the direction of the Chief Executive Officer. If any changes or amendments are required these are brought to Council for endorsement.

Staff, in consultation with the Policy Review Committee, are conducting a major review of the Shires Policy Manual and propose improvements for Council’s consideration. This report presents the changes within the policy manual.

This report presents to Council the policy review that has been undertaken by Staff, in consultation with the Policy Review Committee to update the following:

- Rebranding changes to reflect the new logo.
- Updating of policy sections and numbering to remove redundant numbering and policy sections (A = Administration, EM = Elected Members, F = Finance, G = Governance & Compliance, and W= Works & Assets).
- Separating the existing Policy Manual into two (2) separate sections. One section being Strategic Policies (Council related) and one new section, Operational Policies being those policies that specifically fall under the functions of the CEO as defined in the Local Government Act 1995, Section 5.41 Function of the CEO.
- Amendments to be made to existing policies.
- Introduction of new policies.
- Rescindment of outdated policies.

Comment:

Staff and the Policy Review Committee have conducted an initial review of the Shire’s Policy Manual and propose a number of amendments for Council’s consideration. Once Staff and the Policy Review Committee work through the next lot of policies, another report will be tabled at Council for consideration until all policies have been reviewed and relevant updates/recommendations have been made.

As the Policy Review Committee were delegated the task of an in-depth review, the policies attached to this report only show the new policy recommended to Council for consideration and a copy of the original Council policy for reference. If any further details are required by Council in relation to the workings of the new policy wording, please contact the DCEO for the workings papers provided to the Policy Review Committee.

The Policy review and update has been broken up into three parts, with comments below to summarise recommended amendments, introductions and rescindments.

In the policy review it was noted that there are numerous policies that address matters relating to management supervision and direction of employees.

Operational policies do not need the approval of Council as this delegation already exists in the *Local Government Act 1995 – Part 5 Administration*:

5.41 Functions of the CEO

- (d) Manage the day-to-day operations of the local government*
- (g) be responsible for the employment, management supervision, direction and dismissal of other employees*

Policies, particularly those with budget implications or demonstrating sound management, can be brought to Council for noting or receiving.

It is recommended that the below policies that specifically fall under the Functions of the CEO as defined in the Act, remain in the Policy Manual but are transferred into the new “Operational” section of the Manual. These policies are attached and labelled Part 2.

Council should note that the original policies are yet to be fully reviewed. Once the policies have been transferred to the “Operational” section of the manual, and the Strategic Policy review and update has

been completed, the Executive Management Team will commence work on the review and updates to the Operational policies.

PART 3 - Policies to be Rescinded

It is recommended that the below policies be removed from the Policy Manual in their entirety. These policies are attached and labelled Part 3.

Policy	Reason for Rescindment
A36 - Authorisations under the Dog Act 1976	Covered under Section 8 of the 2023 Shire of Koorda Delegation Register.
A39 - CEO to Enforce Act	Policy references are currently outdated in current policy format. Policy contains specific detail relating to legislation and other external references which may result in conflict between the policy and legislation or guidance in the instance of a change in legislation, guidance, or other external references.
A40 - Exercise Powers Under Part 3	Policy references are currently outdated in current policy format. Policy contains specific detail relating to legislation and other external references which may result in conflict between the policy and legislation or guidance in the instance of a change in legislation, guidance, or other external references.

B2 - Bush Fire Prosecutions	Covered under Delegation 6.9 of the 2023 Shire of Koorda Delegation Register.
B5 - Fire Control Officers	Covered under Delegation 6.7 of the 2023 Shire of Koorda Delegation Register.
B9 - Extension of Burning Periods	Not in-line with the Bush Fires Act 1954. Shire President and Chief Bush Fire Control Officer (jointly) can only Vary Prohibited Burning Times. Covered under Delegation 6.2 of the 2023 Shire of Koorda Delegation Register.
C14 - District - Group Photographs	No longer relevant.
F11 - Asset Valuations in Accounts	Recommended rescindment following 2023 FMR Review. Formalisation of policies relating to asset accounting may conflict with the Australian Accounting Standards. To avoid conflict with the standards and legislation, the policy should not include legislative and standards requirements and should enhance these requirements to provide a policy decision where an accounting standard allows a policy choice. To adopt accounting policies annually within the annual statutory budget.
F15 - Review of Financial Management Systems	Recommended rescindment following 2023 FMR Review. The policy statement provides for the CEO to negotiate with Council's auditors to review financial management systems every four years. The review frequency required by legislation is every three years. To avoid conflict with legislation the policy should not restate legislative requirements, but rather should enhance these requirements.
