I was born and bred in Koorda and have lived and farmed here for 64 years and have been married to my wife Pam for 40 years. Our son Ryan has started his journey in farming. I have been a Councillor for 12 years and enjoyed the privilege of serving ratepayers and electors. I believe in honest and open governance and I am there to serve my community. My areas of focus includes the welfare of our elderly and therefore maintaining medical services. Along with community welfare, road infrastructure and maintenance are also a high priority. I am proud of the way our community looks after and respects our local town and district. We as a Shire will continue to support local business and help establish and encourage any new business. I am great supporter of the wide variety of sports offered in our town and have been lucky enough to either play, administrate or be a sponsor of these clubs. It is very enjoyable to see the continued success of all clubs both on and off the field.
