	Candidate name	SANDRA CHRISTIE
	District	Shire of Koorda
	Nominating for	Councillor for the Shire of Koorda
	Election type	Extra-Ordinary
	Enrolment status	CHRISTIE, SANDRA is eligible to stand for election as a resident of the Shire of Koorda.

I am an Australian Citizen, having arrived 15 years ago from Portugal, due to a transfer within the Oil & Gas Industry. I was a domestic engineer, (mother of 3 all now flown the coop), I entered Newspaper advertising at a young age, rising fast through the ranks whilst, at the same time, starting a career in the fitness industry which was to span over 20 years in 3 countries, also, in WA I was a Trainer throughout the metro area for St Johns Ambulance. I have been a Funeral Arranger/Conductor for Bowra & O'Dea Funeral Directors & still work for them as an After-Hours Coordinator remotely, every second week, overnight.

I believe communication is key - I would hope to be a beneficial gateway between Community and Shire of Koorda - to help the community express their needs & wishes whilst being able to add balance & understanding as much as the position allows back to the community members. Becoming a Councillor would allow me to actively "give back" into the community in which I live.
