

# Works and Assets

## Material Supply & Royalties

---

### Objective

To minimise inconvenience to the Shire of Koorda (“the Shire”) landholders in ensuring reinstatement of excavated areas, and to ensure landholders are compensated for materials (eg; gravel or sand) obtained from private pits.

---

### Policy

#### **Material Supplies and Pit Rehabilitation**

Where road materials are required for Roadworks, the Shire is to approach the landowner concerned, preferably at least one month prior to the time when the works are due to commence with a request for the material. This notice is necessary to enable the landowner time to make any domestic arrangements necessary in relation to stock etc.

Permission is to be obtained in writing stating any requested conditions. All borrow pits opened on private property are to be regenerated at the end of useful life. All care is to be taken to ensure that the least amount of inconvenience is caused to the landowner as possible.

#### **Royalty Payments**

A royalty payment will be paid to landholders throughout the Shire per cubic metre of material obtained from their pit, at the rate prescribed in the annual budget each year.
