### 11.1.3 **WALGA AGM – 7 AUGUST 2019**

<b>Section 5.23 – Applicability</b>	
<b>Location:</b>	WALGA Region
<b>Portfolio:</b>	<b>Governance, Administration and Finance</b> Cr JM Stratford
<b>File Reference:</b>	ADM0066
<b>Disclosure of Interest:</b>	No Interest declared by CEO
<b>Author:</b>	Darren Simmons, Chief Executive Officer
<b>Signature of CEO</b>	
<b>Attachment:</b>	Copy of AGM Documents sent separately

#### **Background:**

The WALGA AGM will be held on 7 August 2019 at the Convention Centre in Perth. Due to attendance availability, the Shire President and CEO have been registered as the Shire of Koorda voting delegates.

#### **Comment:**

To inform the voting delegates of a preferred voting for the day, it may be advantageous to consider the items before the actual meeting. It should be noted that this should only be a general direction as information on the day may change the motions or provide further details. Therefore, the final determination of the vote should remain with the delegates.

#### **Item 3.1 – Coastal Erosion**

Seeking WALGA to advocate for more resources to be provided to Coastal Councils to manage coastal hazards and development of an intergovernmental agreement to develop a coordinated national approach to coastal issues.

Recommendation: Support motion.

#### **Item 3.2 – Department of Housing Leasing Residential Property to Charitable Organisations**

This item recommends a change to the Department of Housing policy and practice of leasing housing assets to charitable not for profit organisations as it is eroding Local Governments' rate base.

Recommendation: Support motion.

#### **Item 3.3 – Motorist Taxation Revenue and Spending in WA**

Seeks a fair distribution of funding from motorists to road maintenance, congestion and road safety. Also calling for an inquiry into road user pricing.

Recommendation: Support motion.

#### **Item 3.4 – Biosecurity Groups (RBGs)**

Request for WALGA revokes its current policy position of not supporting the establishment and operations of Recognised Biosecurity Groups (RBGs) and that the decision on whether to support RBGs is to rest with individual Local Governments.

Recommendation: Support motion.

#### **Item 3.5 – WALGA Members Support for Waste to Energy**

Seeking support for the Waste Strategy: Western Australia's Waste Avoidance and Resource Recovery Strategy 2030 from WALGA Members and to seek firm commitments from the State

Government as to how it will be achieved, including alternative options and incentives to reduce and eventually eliminate reliance on landfill.

Recommendation: Support motion.

#### Item 3.6 – Membership of Development Assessment Panels

It is proposed that WALGA advocate for increasing local government membership on Development Assessment Panels.

Recommendation: Support motion.

#### Item 3.7 – Review of the Mining Act 1978

Proposing a request for a State Government review of the Mining Act 1978 and the review address FIFO and DIDO and its impact on local communities. Further proposing MOUs with Councils is addressed as a compulsory part of the mining application process and such MOUs forms part of the Audit process of the relevant local government.

Recommendation: Support motion.

#### Item 3.8 – Financial Assistance Grant

That WALGA requests the Hon. Minister of Local Government and Communities David Templeman to assist all Local Governments to Lobby the Federal Government to retain the Financial Assistance Grant at one percent of the of Commonwealth Taxation Revenue.

Recommendation: Support motion.

#### Item 3.9 Third Party Appeal Rights

Seeking further amendments to the proposed Third Party Appeals Process Preferred Model.

Recommendation: Support motion.

The direction of this item is only a suggestion for the AGM and should not be taken as an absolute as other considerations may possibly alter the motion. Therefore, the final determination should be left at the discretion of the delegates on the day.

It is unlikely that motions will be accepted on the day as the voting delegates and executives would not have had the chance to research the item, however if anything does arise, it is suggested that the voting delegates just use their best judgement.

## 11.2.5 2018/2019 INTERIM AUDIT

### Section 5.23 – Applicability

<b>Location:</b>	Shire of Koorda
<b>Portfolio:</b>	<b>Governance, Administration and Finance</b> Cr JM Stratford
<b>File Reference:</b>	ADM 112
<b>Disclosure Of Interest:</b>	No interest declared by CEO
<b>Author:</b>	Lana Foote, Manager of Finance & Administration
<b>Signature of CEO</b>	
<b>Attachment:</b>	Letter (Attachment pages 81 – 83)

### Background:

In May 2019, the Interim Audit for 2018/2019 was conducted by Byfields on behalf of the Auditor General's Office. As part of the Audit, 1 "minor" item was highlighted as an issue for corrective action. Minor rating: those findings that are not of primary concern but still warrant action being taken.

### Comment:

The item of concern raised through the Interim Audit process was:

1. User Access Levels

### Auditor Comment:

#### Finding

We reviewed the user access levels within the Shire's financial management system (Quickbooks) and noted that 3 out of 5 users have access rights to all of the following areas:

- Sales and Accounts Receivable
- Purchasing and Accounts Payable
- Payroll and Employees
- Sensitive Accounting Activities (e.g. creating and posting general journal entries)
- Sensitive Financial Report (e.g. generate and view all financial and payroll related reports)
- Changing or Deleting Transactions (e.g. ability to stop other users from changing or deleting any transactions in the current period or closed period)

For 2 out of 5 users, except for Payroll and Employees, these users also have access to the other areas mentioned above.

While we acknowledged that the Shire is aware that these access were given to staff due to system limitations and has processes in place to ensure segregation of duties in its day-to-day operations, there is still a risk that excessive user access may allow staff to use the system inappropriately.

Also, we noted that the access level for one user in the rates management system (Rates Book Online) was amended by management following our review.

#### Rating: Minor

#### Implication

There is a risk that excessive user access to the financial management system may allow staff to use the system inappropriately. For example, this access could be used to undermine the effectiveness of system controls, such as segregation of duties, and diminish accountability.

**Recommendation**

*We recommend that the Shire review its user access profiles regularly to ensure access privileges are appropriate based on staff's responsibilities, and that segregation of duties is maintained to the best of the Shire's ability without adversely impacting the efficiency of its operations.*

**Management Comment:**

The user access level issues are noted and have been considered as part of the Council-approved procurement of a replacement financial management system within the next twelve months that will incorporate the recommended system access limitation arrangements.

CONFIRMED

**11.6 Housing**

**11.6.1 HOUSING TENDER – 03/19  
Lot 164C Lodge Street**

**Section 5.23 – Applicability**

**Location:**

Shire of Koorda

**Portfolio:**

**Education, Welfare & Property**

Cr LC Smith

**File Reference:**

Tender 03/19

**Disclosure Of Interest:**

No interest declared by the CEO

**Author:**

Lana Foote, Manager of Finance & Administration

**Signature of CEO**

**Attachment:**

CONFIDENTIAL Tender Pricing Schedule & Offer to Lease  
(Attachment pages 84 – 97)

**Background:**

Council was approached by Department of Communities: Housing (GROH – Government Regional Officer Housing) in regard to exploring the options for Council to construct an additional house that GROH would be able to lease on behalf of the Department of Education to house a teacher. At its December 2018 meeting, Council resolved:

*“That the Chief Executive Officer investigate possible buildings and locations with the intention of providing suitable accommodation to Government Regional Officers Housing (GROH) under a rental lease”.*

The location nominated for the house was Lot 164 (8) Lodge street at the front of the block.

As per the budget, tenders were called for 1 x 4x2 transportable dwelling (with an additional 3x2 option), in a hope to “best match” existing dwellings already located on the block. As this dwelling is ultimately promised to GROH, the specifications required had to align with those of *Department of Communities: Housing GROH and Key working Housing functional brief*.

**Comment:**

Tenders closed at 12.00noon Friday 3<sup>rd</sup> May 2019. Tenders were received from:

- Modular WA
- Fleetwood Homes
- Quality Builders Pty Ltd

Council were required to assess the submitted tenders and recommend the preferred design and supplier to Department of Communities for their design pre-approval.

Council staff and Department of Communities preferred the 3x2 transportable dwelling submitted by Quality Builders. The design was aesthetically matched to the existing dwellings and contained most elements of the required GROH specifications.

Consultation between Department of Communities and Quality Builders was required to get final costings and clarifications to ensure the submitted 3x2 designs included all specifications required as part of the *Department of Communities: Housing GROH and Key working Housing functional brief*.

The final design and costs submitted to Department of Communities were pre-approved and to progress in the process, it is recommended Council resolve to award a tender as per the below recommendation.

Additionally, the final offer to lease documentation is attached; and requires signing and sealing by the Shire President and CEO. Current lease intent is ten years, with the option to extend a further 12 months and rent has been negotiated as a cost recovery rental amount at \$600 per week.

**Consultation:**

## 11.9 Transport

### 11.9.1 HEAVY VEHICLE ROUTE APPLICATION – RAV 7 REQUEST FOR SUPPORT

#### Section 5.23 – Applicability

<b>Location:</b>	Shire of Koorda
<b>Portfolio:</b>	<b>Transport and Communication</b> Cr GW Greaves
<b>File Reference:</b>	ADM 242
<b>Disclosure of Interest:</b>	Nil
<b>Author:</b>	Darren Simmons, Chief Executive Officer
<b>Signature of CEO</b>	
<b>Attachment:</b>	Email from Main Roads 24 June 2019 RAV 7 Request for Support (Attachment pages 98)

#### Background

An application has been referred to the Shire for the following local roads to be assessed for RAV 7 status:

Road No. 4110002	Cadoux – Koorda Road	SLK 0 to 21.73	RAV 6, TD 4
Road No. 4110137	Railway Street	SLK 0.64 to 0.74	RAV 6, TD 4

Council have requested a policy for there does not appear to be any Council policy or delegation for assessing and “approving” such applications.

#### Comment

At its meeting held on 17 April 2019, in respect to heavy vehicle applications, Council resolved:

- *That the Shire supports RAV 4 for assessment as per current arrangements;*
- *Any application in excess of RAV 4 to be referred to Council for consideration;*
- *The Shire does not support RAV 9; and*
- *The Shire develop a policy and conditions for managing applications for the Harvest Mass Management Scheme (HMMS).*

Whilst work on developing a policy remains outstanding, it is clear from Council's resolution above that it requires applications in excess of RAV 4 to be referred to Council for consideration and, hence, the presentation of this item.

Heavy Vehicle Services (HVS) of Main Roads are seeking any comments relating to road condition, planning conflicts, development issues etc. that may be impacted by adding the above roads onto the RAV network.

Whilst it appears from the application that the applicant is seeking access to the commercial fuel depot on Railway Street, the Shire's Works Supervisor, has expressed concerns at the potential for an increased road maintenance impact the extra 20 tonnes mass RAV 7 allows would have on the road surface and a lack of turning or 'swept path' space at this location.

Whilst Main Roads is the approving authority, it is recommended that Council advise HVS that it objects to the application to amend the RAV rating for the Cadoux-Koorda Road and Railway Street due to the increased road maintenance impact the extra 20 tonnes mass RAV 7 allows would have on the road surface and a lack of turning or 'swept path' space at this location.
