COVID UPDATE

**Masks mandatory
for Wheatbelt and
Great Southern**

Effective from 6.00pm, Thursday 27 January, mask requirements for all indoor public settings was extended to the Wheatbelt and Great Southern regions.

This follows more COVID-19 cases and exposure sites being detected outside the Perth, Peel and South West region.

TESTING CLINICS

If you or a family member starts to feel COVID-19 symptoms you can go to your nearest Public Emergency Department for testing.

A list of all the Wheatbelt testing clinics is listed to the right.

Masks must be worn in:

- all indoor public settings, including the workplace
- vulnerable settings like residential aged and disability care facilities and hospitals

Usual mask wearing exemptions apply.

The mask rule also applies to anyone who has been in the Wheatbelt and Great Southern regions since January 20 and has since travelled to another region that is not affected by mask requirements.

People are asked to keep checking the list of exposure sites and follow the testing and isolation advice if they have visited an exposure site.

Western Australians are encouraged to stay vigilant and get tested immediately if COVID-19 symptoms develop, and use the ServiceWA app and mandatory contact registers to check in to businesses and venues.

A full list of testing clinics is available on the HealthyWA website (external link).

Wheatbelt (Coastal)

Moora Hospital (08) 9651 0222
66 Dandaragan Street, Moora

WHAT TO FLUSH

Recently the Shire have encountered numerous sewerage blockages due to items such as wet wipes being flushed down the toilet. Please read the below poster from the Water Corporation carefully and think before you flush.

Think before you flush!

Flushing these items can cause blockages in your pipes and the broader wastewater system.

Don't flush:

If it's not one of the 3 Ps - toilet paper, pee and poo - put it in the bin instead.
