## TV RE-TRANSMISSION UPDATE

Shire staff and its television service technicians have restored television reception following recent outages affecting WIN, GWN7, ABC and SBS. (If you are not receiving any transmissions, please re-scan your TV as this often helps restore coverage).

Unfortunately, issues remain with WIN reception quality and this is still being addressed and all available resources are being directed to these issues with Shire staff continuing to work with the TV technicians.

The Shire apologises for the inconvenience caused by the outages and reception quality issues.

## OFFICE RENDERING

The plasters will be back at the office this week (25/05 - 27/05/22) to continue with the rendering of the office.

If you are visiting the office during this time, please ensure to proceed with caution.

We can't wait to see the finished product!

## MAY COUNCIL MEETING

The unconfirmed minutes from the May Council Meeting are available to view on the Shire's website [www.koorda.wa.gov.au](http://www.koorda.wa.gov.au).

## DAMAGED BINS

If your bin is damaged or in need of replacing, please call the office or email [shire@koorda.wa.gov.au](mailto:shire@koorda.wa.gov.au).

Staff will contact Avon Waste to organise the repair or replacement.

## DOG WASTE BAGS

Dog waste bags are available at the following locations;

Recreation Ground  
Community Garden  
Caravan Park  
Volunteer Park

Please ensure to clean up after your dog while out walking.

## A BLAST FROM THE PAST!

Whilst sorting through old Shire records, staff have found many photos and articles that may be of interest to the public. Below are a few found recently.

KOORDA MAIN STREET early 1920, taken from Railway Station. Weighbridge & vacant Post Office corner on right, Ninghan Rd & first School. Supply Stores (G. Dunt) on left, Gibbs Blacksmiths shop behind weighbridge.

# COVID-19

WA has now moved to 'baseline' settings of public health and social measures to control the spread of COVID-19 in the community. In practical terms, this means:

**Masks** are only **required** for people aged 12 years and older in the following settings:

- Hospitals and health care settings
- Aged care facilities, residential care facilities including disability service facilities and mental health residential facilities
- Public and passenger transport, including taxis and rideshare vehicles, tour buses and school buses
- Correctional facilities

In addition, masks are strongly encouraged where physical distancing is not possible. People may choose to continue wearing a mask in public and work settings for a number of reasons including:

- Masks reduce the chance of getting COVID
- Masks reduce the chance of spreading COVID - infected people may be asymptomatic and not know they are infected
- Wearing a mask protects others, including those at risk of severe COVID including people with disability, chronic illnesses and suppressed immune systems
- The risk of COVID transmission is greatest when indoors for prolonged periods without adequate airflow.

People are encouraged to:

- Practise good personal hygiene - wash hands often with soap and water, or hand sanitiser, cover coughs and sneezes with a tissue or your elbow
- Practise physical distancing - keep at least 1.5 metres or two arms lengths from each other
- Stay home if unwell.

If you return a positive RAT, you are still required to register it with the Department of Health.

**Positive** cases must still isolate for seven days.

**Symptomatic** close contacts need to isolate until symptoms are resolved.

**Asymptomatic** close contacts do not have to isolate for seven days, but must take a RAT each day they leave isolation, wear a mask outside the home, and avoid high-risk settings.
