RAV NETWORK ACCESS – SHIRE STAFF RESEARCH PROJECT UPDATE

Further to the recent request for nominations of Shire roads that transport operators or farmers would like to see added to or enhanced within the RAV network, the Shire has received several road nominations that have been suggested would lead to improvements to the local grain freight transport tasks.

In recording its thanks for these nominations, and to inform and assist Council with its future RAV network deliberations, the Shire will now liaise with Main Roads Heavy Vehicle Services (HVS) with a view to having the roads assessed to

determine if the roads are safe and suitable for RAV access.

It is envisaged that a further project update will be provided in March/April 2023.

TRUCK PARKING

Due to the residential nature, we would like to remind truck drivers that trucks are not permitted to park within the streets of the Koorda townsite.

The designated truck parking is in the gravel bay along Railway Street and along Haig Street near the pool (Please do not block the ambulance gates).

We thank you for your cooperation.
