DOCTOR SERVICE UPDATE

At its most recent Council meeting, the Koorda Shire endorsed an agreement for a new doctor service to commence on July 31.

Under the agreement, Koorda would have a visiting medical practitioner for two consecutive days each week.

The new agreement comes as the previous medical practitioner suddenly terminated his services, effective last Friday.

The Shire will keep the community updated to any changes to the new service, including the start date and if a locum service can be secured in the interim.

TV BROADCASTING UPDATE

We understand how frustrating it has been with the issues of TV reception currently. The technicians are arriving early this week to repair the issues and we take this opportunity to apologise for the inconvenience caused and appreciate your patience as they work to restore full service.

2024/2025 RATES

The annual rates for the Shire of Koorda will be out in late July to early August 2024.

If ratepayers have any outstanding rates, please endeavour to pay these ASAP before the new rates are raised.

LOCAL ROADWORKS

Mollerin Rock South Road - Please expect delays when travelling through roadworks and road maintenance grading is happening this week.

Please be aware and abide by the road work speed limits. We thank you for your patience.

CGP – ROUND 1 RE-CAP

COUNTRY BRATZ PLAYGROUP "JUNGLE MUSIC"

This program was amazing for the young children in our community. They thrived off these lessons, engaging with the teacher/parents and interacting with their peers. It was something they looked forward to every fortnight! It was clear that every lesson they participated in, their confidence grew. It also brought together some new faces, creating rich engagement for the children and adults.

KOORDA & DISTRICTS MUSEUM "RECHARGEABLE VACUUM CLEANER"

To ensure a safer and easier way of cleaning the Museum. Sweeping is frowned upon by Museums Australia and larger older style of vacuum cleaners involve using many extension cords which can be cumbersome and hazardous. The new rechargeable vacuum enhances ease of use and safer use for volunteers, resulting in cleaner museum and happier volunteers.

LIBRARY NEWS

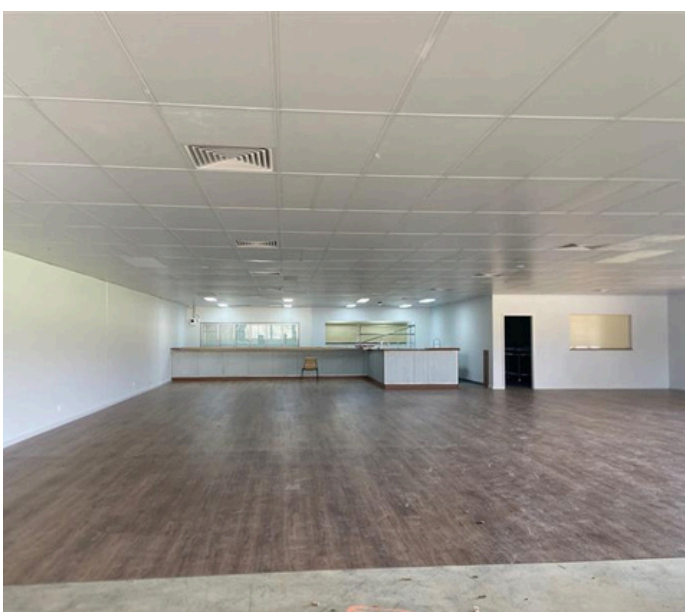

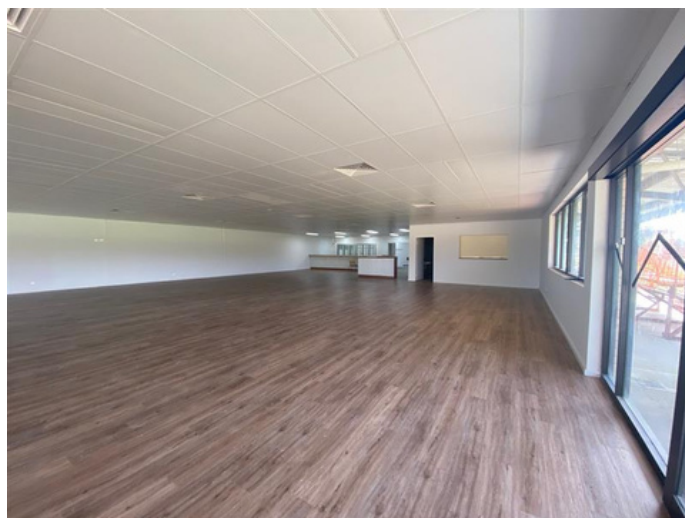

The library is bursting with new books and the July books are also now on the 'New' shelf ready to be browsed, borrowed and enjoyed!

LIBRARY HOLIDAY PROGRAM

Friday 12th July there is a school holiday reading session from 11am -11.45am for primary aged children but anyone interested can attend. The book being read is Charlie and the Chocolate Factory.

RECREATION GROUNDS UPDATE

The recreation grounds renovation is progressing nicely with the kitchen coming together. The flooring is almost complete. Looking very Swish!
