2024/2025 BUDGET AND RATES

The 2024/2025 Budget was adopted at the July Council Meeting.

It is anticipated that the 2024/2025 Shire of Koorda Rates will be posted out next week.

LOCAL ROADWORKS

Burakin/Wialki Road - Please expect delays when travelling through roadworks and road maintenance grading is happening this week.

Please be aware and abide by the road work speed limits. We thank you for your patience.

LIBRARY NEWS

The library is bursting with new books and the July books are also now on the 'New' shelf ready to be browsed, borrowed and enjoyed!

Some of the authors are Tom Clancy, Tom Keneally, Tessa Harris and Nicola Moriarty. For the kids we have The Harry Potter Lego book and for the gardeners Costa's World. Crafty kids could try their hand at making Rubber Band Bracelets.

REPORTING WATER CORP LEAKS

Please ensure you are reporting any water leaks directly to the Water Corporation on 131375 and not through the Shire Administration Office. The Shire do not have a direct line to the Water Corp.

COMMUNITY GRANTS PROGRAM

You have just one and half weeks to put in your application.

Why apply for a grant you ask? A grant can provide financial support with the wish list you have for your sporting club, creative outlets, school, community gardens and community museums. Anything that you believe will help contribute and provide a positive impact for the Koorda Community. It's an opportunity to achieve the goals you have for upgrades, workshops, helping with the costs associated with public events and functions. You have nothing to lose. Apply and you may receive. Applications are open until 31 July 2024 \$10,000 is available in first 2024/2025 round, with applications being accepted up to \$5,000 per group/organisation.

Visit our website for the full guidelines and an application form -

CGP – ROUND 1 RE-CAP

KOORDA COMMUNITY GARDEN "SOLID FOUNDATIONS"

The installation of a shed has provided storage space for gardening equipment and will ensure protection from the elements and security for garden tools and supplies. This will enhance the organisation and efficiency in maintaining the community garden, as well as improve the overall aesthetics by having a designated storage area.

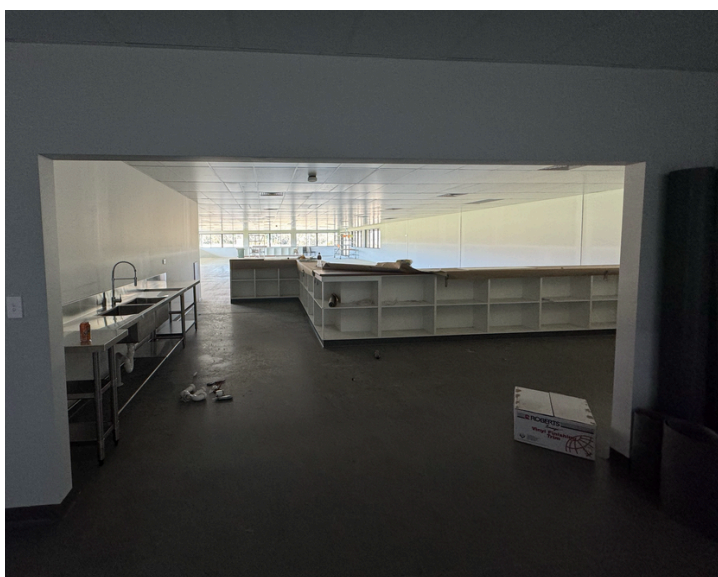

With firm foundations, the garden bench is stable and will be durable for many years. It provides an area for locals and visitors to enjoy a peaceful space to sit and enjoy the garden. The overall project has created a welcoming environment for relaxation and socialising.

REC CENTRE UPDATE

The recreation grounds renovation is progressing nicely with the kitchen and bar coming together. It is going to be a wonderful asset for the town of Koorda
