PUBLIC NOTICE – ACCESS CLOSURE

The Shire has been forced to close vehicle access at the end of the Thomas Street cul-de-sac to the Sports Club parking area through to Greenham Street.

While it is appreciated that this has been an informal long term access point, as the road is a cul-de-sac the shire is obligated to eliminate the risk and liability to nearby residents.

A formal route from Thomas Street to Greenham Street (to remove the cul-de-sac) would seem to be a natural extension that the Shire could consider in future works, depending on current infrastructure projects, works budget and community preference.

SWIMMING POOL

The 2025 pool season has come to an end. We hope you have enjoyed this summer at the pool and we thank Debbie, Eleanor and Monique for a successful season.

See you all back in November!

IPR UPDATE

Following Council adoption in April 2022 of both the Intergrated Strategic Plan and the Workforce Plan, the Shire is pleased to provide the quarterly update under the intergrated planning and reporting framework. The update will be on the pages following the Shire notes.

EASTER OFFICE CLOSURE

Please note the Shire Office will be closed on Friday 18 and Monday 21 April for the Easter Public Holidays.

The Office will reopen on Tuesday 22 April 2025 from 9.00am. We will everyone a safe and happy Easter.

ANZAC DAY SERVICE

Please note, there will be an Anzac Day Service held at the War Memorial on Friday 25 April 2025.

More details to follow in the coming weeks. Details will be posted on the Shire of Koorda Facebook page and in the upcoming Narkal Notes editions.

KOORDA RUBBISH DUMP SURVEY

The Shire of Koorda Council has endorsed a plan for improvements to the rubbish dump on Cadoux-Koorda Road. The first stage will involve fencing the site to help reduce rubbish from escaping and to better control access.

There is a concern that currently the dump is used by non-Shire residents at the cost to local ratepayers. Later stages are proposed to have staff stationed at the site to direct and assist residents and, if progressed, a final stage would have the construction of a waste transfer station to better separate rubbish and help extend the useful life of the dump.

To help in the planning of the changes the Shire would like to know your thoughts. Survey available with below link or by scanning the QR Code.
