## Council Meeting Decisions

Ordinary Council Meeting – 24 March 2025

The following is a summary of resolutions passed by the Koorda Shire Council at the Ordinary Council Meeting held on 24 March 2025, commencing at 5pm. Full Council meeting minutes and agendas can be viewed on the shire's website at Past Council Meetings.

### Committee Recommendations

The Shire's Audit and Risk Committee met on 19 March 2025 and provided recommendations for Council endorsement or otherwise. Items presented were: the Policy Manual Review; Quarterly Reporting and Integrated Strategic Plan; Review of Management, Risk and Compliance Controls; the Shire Risk Profile Report; and annual Compliance Audit Review.

### Announcements by President Jannah Stratford

The President offered congratulations to the Koorda CRC committee and staff on the skate park workshop and Community Volunteers event on 8 March and congratulated the Mount Marshall Agricultural Society on their Agricultural Show on 15 March, along with the Community Garden for hosting the Market Day on 22 March. Cr Stratford also offered commiserations to Cougars Cricket Club on losing the season grand final in Goomalling.

### Corporate and Community

Council was presented for review and endorsement or otherwise the Shire's Monthly Financial Statements; List of Accounts Paid and the Mid-year Budget Review which projected the Shire would achieve a small end of year surplus.

### Governance and Compliance

With the resignation of Cr Kylie Burrell, Council was required to reallocate positions on four of its committees and request from the Electoral Commissioner to hold the election for the vacant position at the general local government elections in October. If approved, the Shire will have five of its seven positions on Council open to election in October. Council endorsed an update on five of the Shire's policies which included reviewing the Community Grants Program policy to ensure it remained relevant along with various administrative changes, among them removing references to COVID 19.

The Shire has begun a six-week consultation period (which will end on 8 May) for a new Caravan Park Local Law being approved by Council. It aims to set out the regulation, control and management of the facility and establish rules for entry and use including penalties for non-compliance. The community are encouraged to review the proposed local law at the Shire office or on the Shire's website

### Works and Asset

Council has endorsed that, whenever practical, the Shire of Koorda residents will be given the first opportunity to purchase any vehicles and plant that are to be replaced by a process in which the Shire will advertise the minimum price (based on valuations including trade-in quotes) and take confidential bids from the community over a two-week period.

The Shire has made an application to the Federal Government's Disaster Ready Fund for three new trailable resources to assist fire and emergency response and the community. For a 10 per cent contribution the Shire has applied to secure a mobile CCTV platform, a mobile Phone Booster tower; and a mobile Kitchen and Barbecue, all of which could be deployed as needed to support emergency services and volunteers and to assist with community events.

Meeting closed at 5.22pm

# KOORDA RUBBISH DUMP SURVEY

The Shire of Koorda Council has endorsed a plan for improvements to the rubbish dump on Cadoux-Koorda Road. The first stage will involve fencing the site to help reduce rubbish from escaping and to better control access.

There is a concern that currently the dump is used by non-Shire residents at the cost to local ratepayers. Later stages are proposed to have staff stationed at the site to direct and assist residents and, if progressed, a final stage would have the construction of a waste transfer station to better separate rubbish and help extend the useful life of the dump.

To help in the planning of the changes the Shire would like to know your thoughts. Survey available with below link or by scanning the QR Code.

## PUBLIC NOTICE – ACCESS CLOSURE

The Shire has been forced to close vehicle access at the end of the Thomas Street cul-de-sac to the Sports Club parking area through to Greenham Street.

While it is appreciated that this has been an informal long term access point, as the road is a cul-de-sac the shire is obligated to eliminate the risk and liability to nearby residents.

A formal route from Thomas Street to Greenham Street (to remove the cul-de-sac) would seem to be a natural extension that the Shire could consider in future works, depending on current infrastructure projects, works budget and community preference.

## EASTER OFFICE CLOSURE

Please note the Shire Office will be closed on Friday 18 and Monday 21 April for the Easter Public Holidays.

The Office will reopen on Tuesday 22 April 2025 from 9.00am. We wish everyone a safe and happy Easter.
