GARDEN AND MAINTENANCE UPDATE

CWA TURNS 100 IN 2025

The CWA turns 100 this year. In celebrations of this the front of the Koorda Road Board Office has had a facelift with a new CWA Community Centre sign and a CWA bench at the front of the building.

CARAVAN PARK UPGRADE

The Koorda Caravan Park has a new fence put around the dump point. Watch this space for more beautification of the Koorda Caravan Park.

ROADWORKS UPDATE

Water binding 2 sections of Cadoux-Koorda Road Works on Green Road and Maher Road

Please expect delays when travelling through roadworks. Please be aware and abide by the road work speed limits. We thank you for your patience.

LIBRARY UPDATE

New June books have arrived ready to borrow! The used exchange should arrive in late June. Exciting news coming soon regarding the Koorda Library!!

The library currently has a tech taser kit borrowed from the State Library of WA.

Watch this space for the announcement of a play and learning session in June.

Council Meeting Decisions - Ordinary Council Meeting – 14 May 2025

The following is a summary of resolutions passed by the Koorda Shire Council at the Ordinary Council Meeting held on 14 May 2025, commencing at 5pm. Full Council meeting minutes and agendas can be viewed on the shire's website at Past Council Meetings » Shire of Koorda

Announcements by President Jannah Stratford

The Shire President expressed disappointment at learning of the recent vandalism to the newly installed kerbing outside the playgroup building. On a happier note, the President wished the Central Wheatbelt Netball Association well for the Country Week Championships on the WA Day long weekend (31 May to 2 June).

Corporate and Community

Council was presented for review and endorsement or otherwise, the Shire's Monthly Financial Statements and List of Accounts Paid for the month, with a key part of the meeting addressing outcomes of the 2025-26 Shire of Koorda Budget Workshop on 30 April.

As such the meeting endorsed changes to the shire's fees and charges with key adjustments including a 40 per cent increase to shire employee rental; adjustments to user fees for the Recreation Precinct to reflect enhancements to the facilities; and increases to the Yalambee Units and Koorda Caravan Park fees to be more comparable to that charged by neighbouring shires.

The shire also endorsed correspondence to the WA Planning Commission to support boundary changes to combine lots at Newcarlbeon while highlighting to existing development conditions.

Governance and Compliance

In addition to resolving compliance requirements such as the review of delegated authorities and revised CEO key performance indicators, Council also considered submissions for the new Caravan Park Local Law and endorsed the WAEC to manage council elections later this year.

The shire only received one submission from the public regarding the Caravan Park Local Law, which supported the change to help redress antisocial behaviour. The local law has since been Gazetted and came into effect on 27 May. It will now be reviewed by Parliament.

On the local government elections, ratepayers are reminded that 5 positions on Council will be contested at the 18 October poll. Those interested in standing for Council should check their eligibility at Nominating to be a council member | DLGSC with nominations opening for 8 days from 28 August 2025. Those nominating, including existing Councillors, need to complete an online induction module to receive a reference number to use as part of making their nomination.

Works and Asset

Council was presented results from the recent community survey on proposals to enhance the compliance of the Koorda Landfill Survey to assist with considerations for budget allocations for 2025-26. The survey response produced a sample size that produced results that would be within 12 per cent accuracy if 80 per cent of residents had completed the survey.

Key findings were that 70 per cent of people supported improvements to the rubbish dump with the main issues being rubbish escaping to the nearby road; clearer access to the pit; need for areas for different types of waste; and stopping access from those from outside the shire.

Overwhelmingly residents wanted access at least 12 times per year and were almost equally split as to if the three-day opening times should be Thursday to Saturday or Sunday to Tuesday. Due to financial implications, Council will consider the survey as part of the budget development.

Meeting closed at 5.37pm
