2025/2026 BUDGET AND RATES

The 2025/2026 Budget was adopted at the July Council Meeting.

The 2025/2026 Shire of Koorda Rates were posted out last week.

The Budget is available to view here - <https://www.koorda.wa.gov.au/documents/budgets>.

REPORTING WATER LEAKS

Please note water leaks are to be reported to the Water Corporation and not through the Shire Administration Office. Often the Water Corp Operator will ask the reporter questions relating to the leak that Shire Staff may not have the answer to.

If you spot a leak, you can report it by phoning **13 13 75**. Faults can also be reported via the Water Corporation's website.

COMMUNITY GRANTS PROGRAM

FOUR DAYS TO SUBMIT YOUR APPLICATIONS

The Shire of Koorda is committed to recognising the value of all community organisations and has developed a clear and powerful vision “To build a vibrant and sustainable community with shared social values, in which we can live and work in harmony with our environment”.

The Community Grants Program is allocated from within Council's general revenue budget each year to provide financial support to community organisations that meet the objectives of the Community Grants Program (“CGP”).

A pool of \$10,000 is available per round of the CGP. Grants of up to \$5,000 (exc GST) are available to community organisations.

Applications are open between **1 July to 31 July 2025**.

Guidelines, application forms and previously funded projects can be found here <https://www.koorda.wa.gov.au/community/koorda-grants-program.aspx>

LOCAL ROADWORKS

Winter Maintenance Grading - Kalannie Kulja Road.

Please expect delays when travelling through roadworks.

Please be aware and abide by the road work speed limits. We thank you for your patience.

HARVEST ROADS

To support local industry, the shire is again applying to Main Roads WA for a series of roads to temporarily have a RAV 7 rating during the harvest season from 1 October this year to 31 January 2026.

While the following table details the roads that the shire will request to have the higher rating, that does not mean that MRWA will approve all of the roads and road users should still check on the department's website for any changes or additional conditions imposed.

The shire will provide an update in a later edition on the outcome of the application to MRWA.

LIBRARY NEWS

LBW Trust Grant

The Library is very excited to announce the grant application from the LBW Trust has been successful.

Funding has been approved for the acquisition of STEAM education materials, in particular LEGO kits and many other items, to deliver educational experiences after school and via holiday programs to young children and school-aged children in the Shire.

We acknowledge and say a huge thank you to the LBW Trust and Friends of Libraries Australia for this fantastic opportunity to support our library programs for children and young people in our regional community to help improve educational outcomes, health and wellbeing in the Shire. Watch this space for future announcements on progress with this grant.
