# OCTOBER COUNCIL MEETING MINUTES SUMMARY

The following is a summary of resolutions passed by the Koorda Shire Council at the Ordinary Council Meeting held on 15 October 2025, commencing at 5.00pm. Full Council meeting minutes and agendas can be viewed on the website at [Past Council Meetings » Shire of Koorda](#)

The community is reminded that the November and December Ordinary Council Meetings will commence at 6pm to help better accommodate Councillors involved with harvest.

## **Announcements by President Jannah Stratford**

The Shire President Cr Jannah Stratford congratulated the Koorda and Districts Agricultural Society for running another successful Koorda Show on 20 September.

The President offered condolences to the Shankland family for the passing of Leonie and the to the Mincherton family for the loss of Vern.

Cr Stratford concluded by wishing everyone well for the upcoming harvest season.

## **Amendment to Pool Contract**

With the Koorda swimming pool to reopen for the season next month, Council has endorsed a change to the existing agreement to enable the contractor to bring on a new business partner that is expected will help enhance the service with the addition of new events and equipment.

## **Rates Recovery Auctions**

As part of a program to recover rates that have been overdue for extended periods, the shire had two properties successfully auctioned on Saturday, 4 October. At the first auction, 23 Smith Street was sold for \$25,500 and was followed by the auction of the property at 1 Allenby Street which was sold at the fall of the hammer for \$30,000. However, with 1 Allenby Street, the original buyer later wanted to withdraw from the contract and was required to pay the \$2000 difference between the hammer price and the \$28,000 offered by the next bidder who exercised their option to negotiate a purchase.

The debt collection agency acting for the shire is currently working towards bringing to auction two other properties at 27 and 51 Smith Street for outstanding rates, fees and charges while similar action is being considered for an additional two properties, one of which is farming land.

## **Recreation Precinct Playground Plan**

Council was presented with a range of options and insights of available funding to replace the playground at the Recreation Centre. For the immediate period Council has decided to retain the exiting playground with a new playground to be considered as part of the 2025/26 mid-year budget review in February.

In the meantime, the shire will investigate costs for new fencing, landscaping and a shade sail for a slightly extended playground site to potentially accommodate new equipment in the future.

## **Cricket Nets Extension**

With work commencing on the surface for the new bowling green, an extension will be required to the cricket nets to remove the risk of cricket balls being inadvertently hit onto the new rinks. Council has approved expenditure for works to extend the existing cricket nets which is scheduled to be undertaken in concert with the new shelters at the bowling green.

The works are expected to be completed by mid to late November with the cricket club asked to refrain from using the nets in the meantime.

**The meeting was closed at 5.55pm**

# KOORDA SWIMMING POOL OPENING

The Koorda Swimming Pool is opening Saturday 01 November 2025.
