2026 PUBLIC HEALTH & WELLBEING SURVEY

As part of the development of the shire's local Public Health Plan, we are required to undertake a community consultation/survey.

It is an opportunity for the community to have a say on what health services they would like in the town, how the existing services and facilities are performing and what health and wellbeing concerns should be the priority for the shire to address.

The survey (which will close on 1 May) can be completed at <https://www.surveymonkey.com/r/Koorda-PHP-2026> or scan the QR code to direct you to the survey.
