KOORDA LIBRARY NEWS

150 items will be arriving this week as part of the April - June 2026 used exchange from the State Library of WA. There will be something for everyone including adult historical fiction, drama and mystery fiction, rural romance fiction and adult non-fiction titles including the subjects gardening and cooking.

For our younger community members there will be a great selection of young adult fiction, junior fiction novels and junior non-fiction titles.

The July 2026 brand new exchange items will not be far away from landing on the 'New Shelf.' Watch this space for updates.

We look forward to seeing you in our library area soon.

KOORDA COMMUNITY GRANTS

The Koorda Community Grants Program will be opening soon.

Why apply for a grant you ask?

A grant can provide financial support with the wish list you have for your sporting club, creative outlets, school, community gardens and community museums.

Anything that you believe will help contribute and provide a positive impact to the Koorda Community. It's an opportunity to achieve the goals you have for upgrades, workshops, helping with the costs associated with public events and functions.
