KOORDA LIBRARY NEWS

Library members will soon enjoy a more modern and convenient library experience with the introduction of the Spydus Library Management System.

The new system will make it easier than ever for members to discover books, DVDs and other library resources, while providing greater control over their own library accounts.

Members will also be able to download the Spydus Library App, available free for both iOS and Android devices.

On Monday 31 August library members will be logged out of the eResource apps such as Borrow Box and Kanopy at some stage and will need to re-authenticate. You will be required to enter your library card number and your Spydus password. Please contact the shire if you experience any issues with passwords and re-authentication.

On Tuesday 1 September we will be going LIVE on Spydus.
